Canons and Resolutions Adopted at the General Convention at St. Louis

Canon 49. Of the Mode of Securing an Accurate View of the State of this Church.

Canon 49 is hereby amended to read as follows:

Sec. 1. It shall be the duty of every minister of this Church in charge of a parish or congregation, or, if there be no minister in charge, of the Churchwardens, or other proper officer, to prepare upon the blank form adopted by the General Convention a report for the year ending December 31st preceeding, and to deliver the same on or before the first day of every annual Convention to the Bishop of the Diocese or Missionary District, or where there is no Bishop, to the presiding officer of the Convention. This report shall include the following information: (1) the number of baptisms, confirmations, marriages, and burials during the year; the total number of baptised persons and communicants at the time of the report; (2) a summary of all receipts and expenditures, from whatever source derived, and for whatever purpose used; and (3) a statement of the property held by the parish, whether real or personal, with an appraisal of its value, together with a statement of the indebtedness of the parish, if any, and of the amount of insurance carried. And every minister not in charge of any parish or congregation shall also report his occasional services, and if there have been none, the causes or reasons which have prevented the same. And these reports, or such parts of them as the Bishop may deem proper, shall be entered in the Journal.

Sec. II. It shall be the duty of the Secretary of the Convention of every Diocese and of the Convocation of every Missionary District to forward to the Secretary of the House of Deputies immediately upon publication the Journals of the Convention of the Diocese or Convocation of the Missionary District, together with

Episcopal charges, statements and other papers as may show the State of the Church in his Diocese or Missionary District. It shall also be his duty to prepare, immediately after the adjournment of the Diocesan Convention or the Convocation of a Missionary District next preceeding the regular meeting of every General Convention, and forward forthwith to the Secretary of the House of Deputies, upon the blank provided for that purpose, a condensed summary of the statistics contained in the parochial reports and Bishops' statements, with information as to all institutions in any way connected with the Church within the Diocese or Missionary District, and also as to the condition of all invested funds and the amount of all contributions received and expended by the Bishops, or otherwise within the Diocese or District. The Secretary of the House of Deputies shall, as soon as may be, present these papers to the House, and a committee shall be appointed to prepare and present to the House a report on the State of the Church, which report, when agreed to by the said House, shall be sent to the House of Bishops.

Canon 50. Of Business Methods in Church Affairs.

Sec. I The fiscal year shall begin January 1.

Sec. II. All accounts, having to do with the receipt, and expenditure, or investments of money of all church organizations shall be audited at the close of each year by a certified public accountant; provided, however, that if the amount of income for the year, as shown by the account shall be less than \$3,000.00, or if a certified public accountant is not available, the audit may be made by an accountant bookkeeper in no way connected with the subject matter of the account.

Sec. III. Each Diocese and Missionary District shall appoint at its next regular Convention or Convocation—provided one has not heretofore been appointed—and annually thereafter a Finance Committee for the following purposes:

(1) To maintain general supervision of the financial affairs of the Diocese, or District; to secure simplicity and accuracy in collection and disbursements of all funds, and co-operation between the various officers, trusts and boards of the Convention or district; for which purpose it shall establish its own rules and keep a record of its meetings, all of which shall be submitted annually to the convention or convocation.

(2) To act as advisor of the Bishop in financial matters; and upon

request, as advisor to individual parishes within the diocese or district as may be referred to it.

RESOLUTIONS.

Resolved, the House of Bishops (The House of Deputies) concurring: That this Convention recommend to all dioceses and missionary districts that all trust and permanent funds for church purposes be deposited in trust with some trust company or bank organized under the laws of the United States or of a State, or with a corporation of the diocese such as an incorporated board of trustees and that a full and detailed statement of each fund be published once a year.

Resolved, The House of Bishops (The House of Deputies) concurring: That the form of parochial report recommended by this commission be adopted for use in this church and that the diocesan conventions and district convocations be urgently requested to make this effective by appropriate legislation.

Also that the form of triennial report of the dioceses and districts to the general convention be adopted and that the Secretary of the House of Deputies be instructed to provide copies of the same.

Resolved, The House of Bishops (The House of Deputies) concurring: That a committee of five members, one Bishop, one Presbyter and three laymen, be appointed, to be known as the Church Finance Committee.

This committee to have power to aid in the establishment of a uniform system of church finances and parochial reports by correspondence with the Diocesan and Missionary District Finance Committees, and to report to the next convention a plan for a uniform system of diocesan and parochial accounts and such other improvements in the present methods of finances as may be found desirable by the experience of the intervening time.

Resolved, the House of Bishops (The House of Deputies) concurring: that the dioceses and missionary districts be urgently requested to enact Canons compelling the adequate insurance of all church property.

Resolved, That such dioceses and missionary districts as have their annual conventions or convocations during the last half of the year be asked to change the date to some time in the first half of the year

NOTICE!

As Canon 50 became a law of the church on January 1, 1917, the reports to convocation of 1918 will be made from January 1, 1917, to January 1, 1918.

They will thus include the por-

tion of the reports from January 1, 1917, to Easter day 1917 (already reported) and a supplementary report from Easter day, 1917, to January 1, 1918.

Secretaries and treasurers will do well to carefully preserve duplicates of reports made this year that they may the more easily incorporate into the next annual reports the portion from January 1 1917 to Easter Even, 1917, inclusive.
